HOADLY

ore than Likely to be the Democrati Candidate for Governor of Obic.

CINCINNATI, May 10.—Judge Headly has said confidentially that he was advised to say for publication what appeared in his Cleve-band interview, the gist of which was that he is a candidate for governor on his merite and has extered into no combination by which the choice of a United States senator is to be affected. One of the points which his advisere expected to see gained by such a declaration is foach in the indorasment of Judge Hoadly's candidately by the Cincinnati Enquirer in its issue of this morning. The indorasment is made on the ground of Judge Hoadly's stand of non-interference in the senatorial contest. The Enquirer is a bitter opponent of Senator Pendleton, and insmunch as Judge Hoadly had been considered as in league with Pendleton, it haits his declaration to the contrary with delight and hastens league with Pendleton, it had had declara-tion to the contrary with delight and hastens to commend him for governor. Judge Hondy has thus strengthened his candidacy with, he auti-Pendleton Democrats, while he has not gone far enough to offend the sunstor and his friends.

fraternal relations may be attended with important results. The Rev. Dr. Pryor, of Nottaway county, Va, in a letter to the Central Presbyterian, published at Richmond, expresses the opinions that the assembly of 1861, which met in Auaway; passed by all the homes of priests in Jericho to be a guest of the half-heathen with Dr. Pryor's approbation, but he believes it has occasioned pain and disestisfaction to a large number of members of the Church. He thinks, therefore, the Lexington assem-bly should be careful to take no action that

may alienate any members of the Church. For the Sunday Appeal.] "FAIREST AMONG WOMEN." 'Tis not she of sylph-like form,

The wheat is heading out nicely, and harvest will with great magnificence, and enjoyed the longest run that ever attended a piece of this kind. The late John Oxenford, the dramatic critic of the Times, a man whose opin-ion was worth having, spoke very highly of better than at present," GAINESVILLE (Ark.) Press, 10th; "Farmher at that time, both as an actress and a beautiful woman. After that Miss Barry ers are very busy. The growing cross look well, except wheat, which we fear will not and in the roles of "Lady Gay Spanker," "Pauline," "Lady Clancarty" and others she

marked 90° at 1 o'clock Tuesday." SMYHNA (Tenn.) correspondent Columbia Herald: "Backward on account of the long-to-be-remembered rais that fell two weeks was first thought to be, from the fact that nearly all the corn that had been planted had to be planted over again and more than half the ground had to be rebroke on account of being packed and beaten so hard by the rain. The wheat crop is beginning to head out, and we feel safe in raying that we will make

THE BUIDING OF THE NEST. They'll come again to the apple tres— Robin and all the rest— When the orchard branches are fair to see In the snow of the blossom drost, And the prettiest thing in the world will be The building of the nest. Weaving it well, so round and trim, Hollowing it with care— Nothing too far away for him, Bothing for her too fair-

plot, and through her efforts the designs of the mob are frustrated, and "Margaret" re-stored to her husbands have. Ab! mother-bird, you'll have weary days. When the ergs are under your broast. When the eggs are under your breast, And shadow may darker the dancing re'ys When the wee ones leave the nest. But they'll find their wings in a glad amaze, And God will see to the rest. So come to the trees with all your train
When the apple blossoms blow;
Through the april shimmer of sun and rain
Ga figing to and fro. Ge flying to and fro.

Ind sing to our hearns as we watch again

Your fairy building grow.

**XANGARET E. SANGETER.

Morsford's Acid Phosphate OVERWORKED NERVOUS SYSTEMS. Dr. Edward L. Duer, Philadelphia, sava:

is worn out, and is the most imposing bore of the age. We can stand Haulet od infini guets, Ga., and which gave shape and form to the Presbyterian Church in the Southern States, did its work wisely and well. He thinks the organization them effected admirably adapted for both domestic and foreign work. The action of the Atlanta assembly tum; but Camille is a state and unprofitable in reference to the establishment of fraternal relations with Dr. Pryor's approbation but the Northern Church meets with Dr. Pryor's approbation but the fraternal above mentioned. The Reitish above mentioned. The British empire (scording to the last edition of Whiteker) covers 8,982,177 square miles of the earth's understands the stage, and her taste is agreemarked Jewish face, but a good and rather strong face, too. Her figure is lithe and well-shaped, her voice is pleasing, her manner with England in the first class of states embracing large areas. Hers amounts to 8,325, 393 square miles. The Chinese empire i preposeesing. There is no said to cover, in round numbers, 4,540,000 square miles. For Brazil and the United States the figures are, respectively, 3,288,000 and 3,002,552 square miles. With respect nor passion in her acting, which may poken of as excellent superficial acting The least that is said of the persons who pe night Mile, Berry-who, by the way, disto population the British empire still comes first, with 305,400,000; the Chinese, accordcourses in good and clear English-ap-peared in another stale character, "Adrienne ing to the latest estimates, would come second, with about 270,000,000; the Russian third, with 100,038,342. The population of the United States in 1883 is reckoned at 52,000,000. In this particular race Brazil is The death of Paul Viardot, in Paris, last Sunday, is an occurrence which reduces ma-terially the numbers of a sittle remnant of nowhere, her population numbering about 30,200,000. New Guinea is not included in

the foregoing estimate of the superficies of the British empire. the artists and litterateurs of the last genera-tion. Vierdot, without being a genius of the highest order, was a man of extraordiary re-WOLFESVILLE, N. C .- Dr. I. C. McLaughsearch, information and industry.
